

GIVE LOCAL DETAILS for Seth's Giving Tree

Projects Supported this year –

Bailey's Bucket –

Bailey's Bucket was created to honor Bailey Baxley's life by helping other special needs students like Bailey, experience the same opportunities, happiness, and sense of belonging that her family worked so hard to provide for her.

The mission is simple but deeply personal:

To fill the financial gaps that might otherwise prevent students with special needs from participating, learning, growing, and enjoying all that school has to offer.

Examples include - Field trips, Hygiene Supplies, Holiday meals, whiteboards for Special Needs Classrooms.
